GSI FULBRIGHT INITIATIVE · DTG2

The world doesn’t lack solutions. It lacks a system to deploy them.

Founded in 2012 at a joint meeting of the Club de Madrid and the P80 Group Foundation, the Global Solutions Institute is America’s gateway to 165 countries: Fulbright Alumni Committees working in collaboration and unity with decision makers in government, business and the non-profit sector to deploy proven solutions where they are needed.

WHY NOW

Four forces now point the same way

WASHINGTON

Congress

A bipartisan International Exchange (Fulbright) Caucus, co-chaired by Senators Booker and Boozman.

CAPITAL

World Bank

A Digital & AI plan to reach 1 billion people by 2030, in 40 priority countries.

MANDATE

United Nations

DTG2 is built to speed up the 17 Sustainable Development Goals.

ACCESS

Club de Madrid

Former heads of state who helped found GSI and open doors with governments.

> “Through GSI Fulbright committees in 165 countries … this network will enable stronger connections and faster deployment of problem-solving technologies and solutions.”

Senator John Boozman
Chairman, U.S. Senate Committee on Agriculture, Nutrition and Forestry

HOW IT WORKS

Train, organize, connect

01 · TRAIN

Regional Centers

U.S. Regional Center universities train current Fulbright scholars to start committees in their home countries.

02 · ORGANIZE

Country committees

Alumni judge which proven solutions fit their country and who should deploy them.

03 · CONNECT

Global network

One shared registry links every committee, so a success in one country reaches the rest.

BE PART OF IT

Four ways to partner with us

FOR TECHNOLOGY COMPANIES

Bring a proven solution

Enter the registry and the pipeline of every country committee.

FOR MARKET LEADERS

Adopt a DTG2 goal

Make a public commitment to deploy it in the markets you choose.

FOR COMPANIES, FUNDS AND FOUNDATIONS

Underwrite a country committee

Fund the launch and first year of the committee in a market you care about.

FOR UNIVERSITIES AND THEIR BACKERS

Host or fund a Regional Center

Give scholars a two-day training and the toolkit to start committees.
